Last winter a water pipe froze and water damaged the first floor and basement. SERVPRO remediated the affected areas and removed all the damaged carpeting, flooring and wall board. The 81 year old owner has decided to move rather than remodel and is therefore selling the house "As Is". Many extras include central air, central vacuum, first floor brick exterior, rear patio, walk-in cedar closet, large walk-in linen closet, walk-out basement and lots of attic storage.
